TOWN COUNCIL

TOWN COUNTILE
The Rat Portage Council met on
Saturday evening het. Present,
Reeve Young, Councillots, Rideout,
Campbell and Nach.
Communications were recoved from
Wm. Warjer, Jr. R. Cartwright, K.
Furniture Co., Sheiff Carpenter, Henry

1. Downer.

Wm. Whyte, Jr. R. Cartweight, K. Furniture G., Sheff Carpenter, Henry J. Powers.

Mr. Richard Hall and others presented a petition for two electric lightwhere was received and referred to the F. S. Wider and Light G. mainten. A petition from Mr. E. D. Mathian, and others asking for the construction of decim on Martha, street and the abatement of the convenience was referred to the Board of Works.

The olerk was instructed to issue in order on the many for one mount, \$65.

The clerk was nothered to incoming, growing them, all available information and ask them to draft a deed or lease, or whotover dominents are inconsumer to the control of the many for the control of the purpose of carrying out the duties of a control company to the amount of the vancing like a plant of the vancing like and the amount of the dwind like area through the amount of the dwind like and the summer of the dwind like area through the amount of the dwind the terms of the summer of the dwind like area through the control of the sumerical of the summer of the dwind like area through the control of the co

a Corved that it would be see por in the

mxt Wedgesday. The works were more complete than any in Canada, and could not be beat any where. The capacity of the rest crushers was eight tone pet hour and the "concentrating department the same. He could treat thirty-five tone of concentrates in the furtheress besides five tone of rich con-Intrinses besides free tone of rich ere in a special furnoss. One ton of concentrates represented from ten to twenty-tone of ore. He said further that several mining capter had been here lately and gone through the works and axpressed surprise at their extent. Mr. Leede the patentee of a special system of ore valuation, had examined them and said they were examined them and saur they were more complete than any he had ever scen.

Councillor Nash said he was sa'is-

seen.
Councillor Nash said he was an infied in a general way, that, the works were completed, and thought they should obtain thirty tons of ore and have it tested.
Councillor Campbell said he could not assume that the works were complete because he did not know anything about them.
Reeve Young said in justice to Mr. Powers and uphotding the responsibility of the town the works should be tested either by bringing in thirty tons of ore and having it reduced or by thinging an expect to test them.
Councillor Redcont said they all know his views and that the time liad come to take some d'finite action. There had been two months of moctavity, and he thought is was the day of the Caulottion Works do ; in would be not town. If they humpered the Reduction Works do ; in would be not conducted to product the materests of the town. If they humpered the Reduction Works do ; in would be not conducted their candence it would tend to induce aspitalists to invest their money. capitalista to myest then

money.
Councillor Campbell said that this

money.

Conneillor Campbell said that this was the first time that any action was necessary, as Mr. Powers, would not say better that the works were contained that in the interest of the municipality some proof should be made of their completies.

The reply to a question—as to—the value of the article—eding—made at Port A thur, Mr. Powers and the cost would be about \$50.

After—some flusher—eding—made—at Port A thur, Mr. Powers and the cost would be about \$50.

After—some flusher—eding—made—at middle, powers on — in reputation was worth more to lith than the amount of the bount, the following resolution: was passed——Movid—by—Gounciller Gompbell, that the report of the bot minor engineer—obtainable in Port A (thur be taken as evidene that the Reduction Works are completed as between the proposition of the H. J. Powers and the municipality, and that the Reduction is not been by instructed to ab ain read evidence and that the report of in read evidence and that the report of in the Reduction of the H. J. Powers and the municipality, and that the Reduction of the H. J. Powers and the found that the report of in read evidence that the reduction works are completed to ab ain read evidence and that that made evidence and that the receiving on fewer delicers and that the flower and that the reduction the bounts be forward. decon and that on receiving a favorable report the bours be forwith handed over.

hundrd over.

A resolution was passed instructing
the collector to forwith take steps. to
immediately-dialent the collection of
the taxes for 1990 and that the roll
for 1990-must-be-returned by the last
day of October instant.

The Gennell adjourned

BOARD OF TRADE. The annual meeting of the Rat Portage Board of Trade was held in Friday evening last. The following were elected as officers for the ensuing

were elected as officers for the eneuing fear?

Richard Hulls president.
